PUBLIC REMARKS

Dean Englert – Krodel Braun Project Dean Englert commended that the work from phase one of the Krodel Braun Project has fixed nothing. He was also wondering why phase one was completed before phase two. Chad Hurm answered his questions. Chad Hurm stated that because of the amount of suck holes on many properties and issues with some of the utilities in this area, this section of the project was completed first. Chad Hurm also commented that some of the recent flooding was caused by some of the silt fence around the drains.

STORMWATER DEPARTMENT REPORTS by City Engineer

Krodel-Braun City Engineer Chad Hurm stated that is should be dry enough for Pfaff's Lawn Care and Huntingburg Machine Works to regrade and to seed and straw the area again.

Jasper Mill Wall City Engineer Chad Hurm stated VS Engineering has submitted all required permits. Chad Hurm also stated that we are waiting on The Office of Historical Preservation to tell the City of Jasper what will be required during the work.
