951 College Avenue
Jasper, IN 47546

What is Plein Air?

Plein Air, simply described, is painting outdoors rather than in a studio. The term comes from the French 'en plein air,' meaning 'in the open air.' The Impressionists were particularly interested in the influence of changing light and the effects of light on color when outdoors. Monet is a popular example of a plein air painter.

What is Quick Draw?

The Quick Draw Event is a plein air competition, exhibit, and sale which takes place on Friday, July 10th, 2015. This competition starts promptly at 4:00 pm and ends at 6:00 pm. The artists must have their canvas stamped prior to the start of the event. Artists have two hours to create and frame one plein air piece within a designated boundary of the Schaeffer Barn. Artists may use any medium to create their art piece. Artwork must be created only from the surrounding area. Artists may not use models or references to work from.

How much is it to register?

- \$15.00—Plein Air Event (both days)
- \$15.00—Quick Draw Event
- \$25.00—Plein Air & Quick Draw

Sign up before May 31st and enjoy both events for only \$20!!
