

LOOSE LEAF COLLECTION

Starting Monday October 26th, 2015, The City of Jasper Street Dept. will begin curbside loose leaf collection. The Street Department will attempt to collect resident's loose leaves on the same day as household trash is collected. In the event the leaves are not picked up the same day as trash, due to heavy collection or unforeseen circumstances, they will be collected the next day.

Loose leaves, as well as household trash, should be curbside by **7:00a.m.**

Please keep loose leaves free of limbs, rocks, trash and other debris; this will help prevent damage to equipment and help keep leaf collection on schedule.

Raymie Eckerle, Street Commissioner
Jeff Theising, Assistant Street Commissioner
Jasper Street Department
