

# Summer ARTventures 2020

**JEN TOLBERT, Instructor**

Join us as we simplify things that are difficult to draw, and making them more realistic! We will tackle complicated shapes, shading, portraits and perspective! **Location: Online**

**FEE: \$5**

**JEN TOLBERT, Instructor**

Let's explore the rule-free, big world of creativity and imagination! **Location: Online**

**FEE: \$5**

**LAURA POMMIER, Instructor**

Join us as we create a new pencil sketch each week! Whether beginner or advanced, acquiring an ease of sketching, is a desire of all artists. Each week students will work from a digitally provided photo. We will analyze the composition, address the components and render the image intuitively with a variety of mark making. Drawing situations such as volume, perspective and foreshortening will be explored. Possible subject matter will include landscape, still life, and figure. **Location: Online**

**FEE: \$25**

**CORIE ECKERLE SCHWARTZ, Instructor**

Join us for a morning of reusing, recycling and remaking! Each day we will create a new project out of milk jugs, bottle caps, water bottles, egg cartons, and steel cans! **Location: Online**

**FEE: \$5**

**CORIE ECKERLE SCHWARTZ, Instructor**

Enjoy a week creating a new self portrait everyday! We will create a gridded self portraits, an animal self portrait, magazine collage self portrait, an oil pastel self portrait and a cubist watercolor self portrait. \*A picture of the student (neck/face only) along with their favorite animal is needed prior to class. **Location: Online**

**FEE: \$5**
