Andy Jendrzewski, Co-Founder of Art Space Vincennes, LLC, is a sculptor living and working in Vincennes, IN. His work ranges over many media. Over the years he has welded and cast metals, created clay figurative sculptures, constructed found object assemblages, and created temporary monumental environmental pieces in public places. He has worked with figurative, abstract, and non-objective imagery. Unlike many sculptors, Andy is a generalist in that he not only works with many sculptural media types and styles, but also with photography, painting, drawing, and collage. The label of sculpture does not always fit. Poetry might be just as descriptive.

\$2,000 in prize monies will be awarded in the categories of BEST OF SHOW, AWARD OF EXCELLENCE, HIGH HONOR AWARD, and five HONORABLE MENTIONS.

The Krempp Gallery, located in the Jasper Arts Center, adjacent to the VUJ campus, is open to the public Monday through Friday from 8:30 a.m. to 5 p.m., until 7 p.m. on Thursdays, and Sunday from noon to 3:00 p.m. School groups, clubs, and students are welcome. Admission is free.

For more information, please call the Jasper Arts Center at 812-482-3070. The Krempp Gallery is managed by Jasper Community Arts, a department of the City of Jasper. JCA is supported by the Friends of the Arts, Inc., the Indiana Arts Commission, through its regional partner the Vanderburgh Community Foundation, and the National Endowment for the Arts.
