

Technical Director / Facility Manager

Seeking a highly organized and technically proficient Technical Director/Facility Manager for a full-time position with the Jasper Arts Department. Coordinates technical and production details as required for all productions. The role requires a working knowledge of all aspects of production: lighting, sound, video, rigging and staffing. The ideal candidate will be responsible for overseeing technical requirements at the Jasper Arts Center and supervising volunteer personnel and performers and managing day to day operations of the Auditorium. The Jasper Arts Center facility includes 675 seat theater, dance studio, and rental space. Also, the Arts Department operates out of the Cultural Center that houses multiple galleries, workshops, private studios, and a Black Box Theatre. Qualifications include a degree or equivalent experience in technical theatre or events management with an art background. Candidate should be competent in Microsoft applications, demonstrate strong working knowledge of professional audio mixing consoles, and performance grade – professional lighting equipment.
