

Director of Community Development & Planning

Strong communities do not just happen—they are creatively imagined, collaboratively planned, and readied to face tomorrow with optimism. The City of Jasper is focused on driving the future of Community Development. Our next director will lead their department, collaborate on projects that are as technically challenging as they are impactful, creative, and fulfilling. This is where you can apply your passion-and find endless opportunities to help make the city of Jasper more equitable, resilient, and livable.

Under the direction of the Mayor, Planning Commission and Board of Zoning Appeals, the Director of Community Development and Planning supervises the work of professional, technical, and support staff in the development and implementation of long-term plans, goals and objectives focused on achieving the City's mission and priorities as established through community input and collaboration. The director is also responsible for facilitating the execution of the City of Jasper's Comprehensive Plan, the Zoning Ordinances, Economic Development Commission and Redevelopment Commission's Strategic Plans. This individual will consult with citizens, City department leaders, and other officials of municipal, county, state, and federal governments to coordinate all phases of community development.

The Director of Community Development and Planning must have excellent organization, projection management, attention to detail, and critical thinking skills to effectively manage and lead the department. Preferred qualifications include a Bachelor's degree or years of progressively responsible management experience in the field of planning, zoning, community development, economic development, or public administration.
