

Welcome to The City of JASPER

New Resident
Guide

Welcome to JASPER!

Hello and Welcome to Jasper,

Thank you for choosing the City of Jasper as your new home. Welcome to our city of 17,000 residents who share values like being proud of their personal property and the well-maintained lawns, hard-working citizens who are employed and engaged in building a future for their families, the quality educational opportunities, industry employment, and vast recreational and cultural promotions. We have residents who originated from many parts of the world and have chosen our community to be the place they work, live and play. We welcome you to our city, now yours as well. In this packet, you will find beneficial information about services and programs to make your transition to Jasper easier. We have been recognized as one of the top ten best cities to live in, awarded the 2018 Indiana Chamber of Commerce Community of the Year, and in the Spring of 2022, we won the national Strong Town competition. We take pride in everything we do... workmanship, professionalism, competitiveness, friendliness and most importantly, the quality of life we can provide you and your loved ones.

A few highlights of why we received the national Strong Town recognition:

- We have numerous trails, public parks and playgrounds throughout the city providing recreational opportunities for all.
- We've invested in continuing education and public arts with the recently opened Thyen-Clark Cultural Center – home of the Jasper Community Arts and the Jasper Public Library.
- We recognize and celebrate our past with the reconstruction of the Train Depot, the Spirit of Jasper – a beautifully restored passenger train that offers more than remarkable excursions, the Jasper Mill – an operating mill along the Patoka River, the Alexander Schoolhouse – a renovated and relocated one room schoolhouse promoting the evolution and importance of education to our area, and the relocation and construction of the Schaefer Barn and other log cabin structures which offer a community herb garden, history of timber harvesting, etc.
- We have highly regarded cultural spaces. A trip to the Dubois County Museum or the Indiana Baseball Hall of Fame will indicate why Jasper takes pride in everything we do. Please enjoy these and the many other amenities in the region as you get settled.
- We offer exceptional educational opportunities through Greater Jasper Consolidated Schools – award winning schools from elementary to high school and a local community college, Vincennes University, Jasper.

We are a community which recognizes the diversity of religions and respects our differences. This packet includes important information about utilities, trash removal and so much more. Take some time to explore Jasper and all the great things our community has to offer. I encourage you to be involved, volunteer and be active in the community.

Again, welcome and I hope you enjoy the City of Jasper! I look forward to meeting you.

Best,

Dean Vonderheide
