- (1) Sounding Horns or Bells: It shall be unlawful for any person, firm or corporation, to sound any motor vehicle or motor bicycle bell, horn, or other signal device within the City of Jasper, except as provided by the motor vehicle laws of the State of Indiana now or hereafter enacted; provided, however, that this section shall not apply to operators of motor vehicles or motor bicycles engaged in the enforcement of law and the protection of life and property.
- (2) Engine Noise: Muffler required. It shall be unlawful for any person, firm or corporation except as provided in this chapter, to operate within the confines of the City of Jasper any gas, gasoline, fuel oil, or internal combustion engine which shall unnecessarily create or cause to be created any noise which shall disturb the quiet or repose of or shall annoy any person or persons within the City of Jasper. It is specifically declared to be unlawful to operate or cause to be operated any gasoline motor, diesel engine, or internal combustion engine, either stationary or moving, within the City of Jasper, without having attached to said internal combustion engine a suitable muffler or muffler attachment to silence and quiet the explosions of said motor or engine. (Ord. 1997-14, S7.24.40, 1997)

7.24.050 Penalty for Violations. Any person, persons, firm or corporation causing or maintaining any nuisance, by violating any of the provisions of this chapter shall, upon conviction, be fined not less than twenty-five dollars nor more than one hundred dollars

for the first violation. Second and subsequent violations will result in a fine of not less than fifty dollars nor more than two hundred dollars. In the event of a continuing or maintaining of a violation of any section of this chapter, any person, firm or corporation causing or maintaining said nuisance shall upon conviction, be fined in a sum not less than five hundred dollars. Each day's operation or maintaining of said nuisance or any part thereof shall be a separate violation. (Ord. 1997-14, S7.24.50, 1997)

7.24.060 Administrative Liability. No officer, agent, or employee of the City of Jasper shall render himself personally liable for any damage that may occur to persons or property as a result of any act required or permitted in the discharge of his duties under this chapter. Any suit brought against any officer, agent or employee of the City of Jasper as a result of any act required or permitted in the discharge of his duties under this chapter shall be defended by the City attorney until the final determination of the proceedings therein. (Ord. 1997-14, S7.24.60, 1997)

7.24.070 Enforcement. The City Building Commissioner shall enforce the ordinance regulating cisterns, vaults, swimming pools, hot tubs, and spas. The Jasper Police Department shall enforce the noise ordinance. (Ord. 1997-14, S7.24.70, 1997)

7.24.080 Separability. If any section, sub-section, sentence, clause, phrase or portion of this ordinance shall for any reason be held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions thereunder. (Ord. 1997-14, S7.24.80, 1997)

7.24.090 Prior Ordinances. All ordinances and/or parts of ordinances in conflict herewith are hereby repealed. (Ord. 1997-14, S7.24.90, 1997)

7.24.100 Effective Date. This ordinance shall be in full force and effect from and after notice, passage by the Common Council, approval by the Mayor, all in the manner as provided by law. Adopted this 23rd day of July, 1997. (Ord. 1997-14, S7.24.00, 1997)

ADDRESS NUMBERING OF LOTS, BUILDINGS AND STRUCTURES

Sections:

- 7.30.010 House numbering required.**
- 7.30.020 Address log.**
- 7.30.030 Penalty.**

7.30.010 House numbering required. All houses, buildings and structures in the City of Jasper shall be numbered in accordance with the following plan:

- (1) The number shall reflect the official address recognized by the City of Jasper and the 911 emergency systems.
- (2) It shall be the obligation of the owner of the property to place numbers on the house, building or structure; which numbers shall be a minimum of three (3) inches high, and, shall contrast with the background on which they are placed.
- (3) If the building or structure is a residence and is more than seventy-five (75) feet from the roadway, then the numbers shall be attached to a fixture near the street.
- (4) Residential numbers may be attached to a rural mailbox post provided the mailbox post is on the same side of the roadway and only one (1) mailbox is present.
- (5) If the building or structure is a business, the number must be affixed in a clearly visible location on the front of the building.
- (6) Each unit of a multi-family dwelling shall be addressed separately. (Ord. 1992-22, S1, 1992; Ord. 1992-19, S1, 1992)

7.30.020 Address log. The Police Department shall keep a chart or log showing the proper street number of every house, building or structure in the City. (Ord. 2003-43, S1, Aug. 20, 2003) (Ord. 1992-22, S2, 1992; Ord. 1992-19, S2, 1992)

7.30.030 Penalty. Any person, firm or corporation failing to so number any house, building or other structure owned by him, or if after receiving notice to do so from the Jasper Police Department shall continue in his failure to so number such house, building or structure, shall be fined one dollar (\$1.00) for each day during or on which a failure to so number continues. (Ord. 2003-43, S2, Aug. 20, 2003) (Ord. 1992-22, S3, 1992; Ord. 1992-19, S3, 1992)

Chapter 7.50

NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS)

Sections:

- 7.50.005 Purpose.**
- 7.50.010 Official Incident Response System.**
- 7.50.020 Training, exercise, and use of National Incident Management System (NIMS).**

7.50.005 Purpose.

- (1) The President in Homeland Security Directive (HSPD) - 5, directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for Federal, State, local, and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity.
- (2) The collective input and guidance from all Federal, State, local, and tribal homeland security partners has been, and will continue to be, vital to the development, effective implementation and utilization of a comprehensive NIMS.
- (3) It is necessary and desirable that all Federal, State, local and tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management.
- (4) To facilitate the most efficient and effective incident management, it is critical that Federal, State, local, and tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidated action plans, unified command structures, uniform personnel qualification standards, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters.
- (5) The NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the State's ability to utilize federal funding to enhance local and state agency readiness,

maintain first responder safety, and streamline incident management processes.

- (6) The Incident Command System components of NIMS are already an integral part of various incident management activities throughout the State, including current emergency management training programs.
- (7) The National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System.
- (8) The Board of Public Works and Safety of the City of Jasper, Indiana recommends adoption of the National Incident Management System (NIMS) as the City standard for incident management.
- (9) The Common Council of the City of Jasper, Indiana now determines it to be in the best interest of the City of Jasper and its citizens to establish the National Incident Management System (NIMS) as the City standard for incident management. (Ord. 2005-18, Whereas, July 20, 2005)

7.50.010 Official Incident Response System. That the City of Jasper, Indiana does hereby establish the National Incident Management System (NIMS) as the City's official incident response system and as its standard for incident management. (Ord. 2005-18, S1, July 20, 2005)

7.50.020 Training, exercise, and use of National Incident Management System (NIMS). That all incident managers and response organizations under the jurisdiction and control of the City of Jasper shall train, exercise and use NIMS in their response operations. (Ord. 2005-18, S2, July 20, 2005)
